PT-1800 Labeller

The PT-1800 creates professional-quality, laminated, adhesive-backed labels that can be used for virtually any office application. The PT-1800 labeling system uses 4 different "TZ" label widths that are available in a selection of many different colour combinations. Each label adheres to almost any surface, withstands variations in temperature (from freezers to microwaves) and is water resistant. These laminated labels are ideal for identifying folders, computer disks, office equipment, computer hardware and more. The PT-1800 is loaded with features including two built-in fonts, 8 style types, 7 type sizes, vertical and mirror printing, three line printing and more! Complete with one "TZ" tape, 6 AA batteries, user's manual and tape separator.
